

We would like to personally invite you to the **PCG SOUTHERN MISSOURI DISTRICT LINC CONFERENCE**. We understand that we all are facing challenging times in our nation. It is our earnest desire that through this year's conference we can assist our leaders and churches to

do more than just survive but rather **THRIVE!**

The 2021 LINC conference will be held
**THURSDAY, MARCH 11TH AND FRIDAY, MARCH 12TH AT
MESSENGER CHURCH IN FENTON, MO.**

We will be hearing from several great leaders! Bishop Bob McGee will speak at our opening session on Thursday evening at 7:00pm followed by a special ordination ceremony.

Friday morning we will begin at 9:00am with a general session led by Brandon Kelley and a panel of guests. We will also hold 3 breakout sessions consisting of 3 different speakers in each session. Each will cover a wide variety of relevant topics for ministry leaders. We will provide FREE Chic-fil-a box lunches for all our registered guests. Pastor John Rhodes, the Host Pastor will close out our conference with a powerful word.

We will do our best to ensure the safety of everyone in attendance. Hand sanitizer stations and social distancing setup will be implemented. St Louis County is currently under a mask mandate therefore masks are encouraged but we will not regulate it during the conference. Masks will be worn at the personal discretion of those attending once inside the building.
