“Honoring The Man, The Mission & The Memories”

Together we will be honoring our District Bishop:

Bishop Bob McGee and his wife, Delores McGee

(The Man) whose faithfulness, leadership, and vision have shaped and strengthened leaders across our district;

(The Mission) — celebrating 14 years of intentional leadership development through the LINC conference; and

(The Memories) — remembering and rejoicing in all that has been accomplished, all who have been equipped, and the tremendous impact made across the SOMO PCG family

We invite you to be part of this meaningful moment as we celebrate, honor, and give thanks for a season well-served, well-led, and well-loved.

We hope to see you there!
